MD Zahidul Hasan Robin

Founder of Company

It is with great pride and enthusiasm that I welcome you to Fatiha Enterprise, a trusted name in the textile and garment materials trading industry. Over the years, our journey has been defined by our unwavering commitment to excellence, innovation, and building enduring relationships.

At Fatiha enterprise, we specialize in delivering a diverse range of products, including Accessories, Trims, Raw Materials, Electronics & Mechanical Spare Parts, and Generators. Our goal is to provide reliable, high-quality solutions tailored to meet the unique demands of the textile and garments Sector

With over 10 years of expertise in procurement and supply chain management, our team is dedicated to upholding the highest standards of service. We take immense pride in sourcing globally and locally to ensure that our customers receive the best value and quality.

As we continue to grow and adapt to an ever-evolving market, we remain focused on fostering innovation, sustainability, and trust. Thank you for being a part of our journey. We look forward to partnering with you to create meaningful success stories together.

The logo consists of the letters 'F' and 'E' in a bold, green, sans-serif font.

Since 2020

Founded with a vision to revolutionize the textile and garment materials supply industry, Fatiha Enterprise embarked on its journey over five years ago. Backed by the extensive experience of its founders—boasting over 10 years in global and local procurement—the company quickly established itself as a reliable partner in the industrial sector.

From its humble beginnings as a supplier of essential raw materials, Fatiha Enterprise expanded its portfolio to include a wide range of products such as Accessories, Trims, Fabrics, Raw Materials, Electronics, Mechanical Items, Spare Parts, and Generators. With a keen focus on quality, efficiency, and customer satisfaction, the company has built a robust network of suppliers and clients both locally and internationally, particularly in markets like China and Bangladesh.

Throughout its journey, Fatiha Enterprise Company has embraced innovation and operational excellence. It has grown its cash flow to 2 Crore BDT per month, with a projected capacity to handle orders exceeding 10 Crore BDT monthly. The company's ability to source and deliver high-quality products has allowed it to cater to a diverse range of industries, consistently earning the trust and loyalty of its customers.

As a pioneer in the supply chain and procurement industry, Fatiha Enterprise Company remains dedicated to empowering businesses by providing reliable solutions, fostering long-term partnerships, and contributing to the growth and sustainability of the industrial sector. Looking ahead, the company is committed to setting new benchmarks of success, driving innovation, and maintaining its position as a market leader.

Vision

At Fatiha Enterprise, our vision is to be a globally recognized leader in the textile and garment materials supply industry, renowned for quality, innovation, and sustainability. We aim to provide exceptional products—Accessories, Trims, Raw Materials, Fabrics, Electronics, and Mechanical Items—that empower businesses to thrive.

With decades of expertise in procurement and supply chain management, we are committed to building trust, fostering long-term partnerships, and delivering reliable solutions that drive success. Guided by integrity and responsibility, we embrace innovation and sustainable practices to create lasting value for our clients, community, and the industries we serve.

Mission

01

Deliver Excellence: Provide high-quality products, including Accessories, Trims, Raw Materials, Fabrics, Electronics, Mechanical Items, Spare Parts, and Generators, ensuring reliability and value for our customers.

02

Foster Innovation: Continuously improve our processes and expand our product range to meet the evolving demands of the textile and garment sectors.

03

Build Trust: Establish long-term partnerships through transparency, exceptional service, and a customer-centric approach.

04

Promote Sustainability: Uphold environmentally responsible practices across all aspects of our operations to contribute positively to our industry and community.
